## Support for Healthcare Providers

### Access and Affordability Support

Your Case Manager team can help verify insurance coverage, assess patient eligibility for cost support options, and offer the IMAAVY withMe Access Program to eligible commercial patients when coverage is delayed more than 5 business days or denied.

### Office Educational Support

Get customized patient fulfillment support from a dedicated team that includes a Case Manager and a Field Reimbursement Manager.

## Support for Patients

### Dedicated Nurse Navigator\*

A dedicated Nurse Navigator is a registered nurse who is available to support your patients with disease education and disease management resources.

\*Nurse Navigators do not provide medical advice. Patient Authorization is required for enrollment in Nurse Navigator support.

### Infusion Services

IMAAVY withMe Infusion Services utilizes a contracted network of Infusion Service Providers (ISPs)\* to coordinate continuity of care and support the overall patient experience by leveraging existing infrastructure and clinical expertise.

\*The contracted ISPs are not the only ISPs available, and Johnson & Johnson does not endorse the use of any infusion service providers in particular. The information provided represents no statement, promise, or guarantee of Johnson & Johnson concerning levels of reimbursement, payment, or charge. Please consult specific payer organizations with regard to local or actual coverage, reimbursement policies, and determination processes.
